

FAO Based Responsible Fisheries Management Certification

Announcement of Site Visit

September 2010

Global Trust would like to announce the site visit for the assessment of the following fishery.

Application submitted by: Alaska Seafood Marketing Institute, Juneau Alaska

Unit of Certification	
Proposed Unit of Certification*	US Alaska Salmon Fisheries

The purpose of this stage is to collect information on the fishery and in particular, to speak directly with representatives of the fishery, fishery management and associated bodies allowing an opportunity for information exchange and clarification of details specific to the management of the fishery.

In order to verify aspects of the assessment directly, the visit will take place over the period

November 15th – 19th and December 2nd – 3rd, 2010
