

Alaska Black Cod/Sablefish Fishery Completes 2nd Annual Audit for RFM Certification

The Alaska Black Cod/Sablefish fishery has completed the 2nd Annual Audit of the Responsible Fisheries Management (RFM) Certification. The objective of the audit is to monitor any changes since the previous assessment. No non-conformances were issued or are active for this fishery. [Click here](#) for a copy of the 2nd Annual Audit Report.

Comments and information are welcome from interested stakeholders. For instruction on how to submit information into the assessment process [click here](#).

For RFM Certification updates on Alaska's other major commercial fisheries, [click here](#).
