Alaska Cod Fishery Completes 3rd Annual Surveillance Audit for Alaska RFM Certification

The Alaska Seafood Marketing Institute (ASMI) is pleased to announce the Alaska cod fishery completed the third annual surveillance audit for Alaska Responsible Fisheries Management (RFM) certification. Originally certified in April 2013, the objective of an annual audit is to monitor any changes since the previous assessment. For a copy of the third annual audit report [click here](#). The client for the Alaska cod fishery RFM certification is the [Alaska Fisheries Development Foundation, Inc.](#)

Comments and information are welcome from interested stakeholders. For instructions on how to submit into the assessment process [click here](#).

As the certification of Alaska's fisheries progress, we will continue to provide email updates and update the website. We welcome any feedback or questions you may have at rfm@alaskaseafood.org.
