February 9, 2017 -- The Alaska Seafood Marketing Institute (ASMI) is pleased to announce the Alaska halibut fishery has been awarded continued certification to the Alaska Responsible Fisheries Management (RFM) Certification Program.

The Alaska halibut fishery was first certified to the Alaska RFM Certification Program in April 2011 and in early 2016 began the process of reassessment. The reassessment was conducted using Alaska RFM Standard Version 1.3. Details of the assessment can be found in the [Final Assessment Report](#).

Congratulations to the Alaska RFM Certification halibut fishery client - [Fishing Vessels Owners' Association \(Eat on the Wild Side\)](#)!
