

Alaska RFM Certification Annual Audit Updates for Crab, Halibut and Sablefish

Alaska Crab Fishery:

The Alaska Seafood Marketing Institute (ASMI) is pleased to announce the Alaska BSAI King and Snow Crab fisheries completed the Alaska Responsible Fisheries Management (RFM) third annual audit. The Alaska crab fishery was originally certified in April 2012. The objective of each annual audit is to monitor any changes since the previous assessment. For a copy of the Alaska crab 3rd annual audit report [click here](#).

Alaska Halibut Fishery:

The Alaska halibut fishery has entered the 4th annual audit for Alaska RFM Certification. [Click here](#) for both the site visit and assessment team nominations.

Alaska Sablefish Fishery:

The Alaska sablefish fishery has entered the 4th annual audit for Alaska RFM Certification. [Click here](#) for both the site visit and assessment team nominations.

Comments and information are welcome from interested stakeholders. For instructions on how to submit into the assessment process [click here](#).

For more information on Alaska RFM certification go to www.alaskaseafood.org.

As the certification of Alaska's fisheries progress, we will continue to provide email updates. We welcome any feedback or questions you may have. Please send any inquiries to certification@alaskaseafood.org
