

Alaska Salmon Fishery Completes 2nd RFM Certification Annual Audit

The Alaska Seafood Marketing Institute (ASMI) is pleased to announce the Alaska salmon fishery has completed the second annual audit of the FAO-Based Responsible Fisheries Management (RFM) Certification. The objective of the audit is to monitor any changes since the previous assessment. [Click here](#) for a copy of the Alaska Salmon Surveillance Report. The report documents the assessment result for the continued RFM Certification of the Alaska salmon fishery.

Comments and information are welcome from interested stakeholders. For instructions on how to submit information into the assessment process [click here](#).

For RFM Certification updates on Alaska's other major commercial fisheries, [click here](#).
