The Alaska Seafood Marketing Institute (ASMI) has posted on their [website](#) the Annual Audit Site Visit Confirmations & Site Visit Plans (provisional) for the FAO-Based Responsible Fisheries Management (RFM) Certification of following fisheries:

- * [Alaska Salmon](#)
- * [Alaska Halibut](#)
- * [BSAI Alaska Crab](#)

The certification body, Global Trust, is awaiting meeting confirmation from the various managers and stakeholders in Seattle and throughout Alaska. As soon as these dates are scheduled, ASMI will post the specific date, time and location of each meeting.

Comments and information are welcome from interested stakeholders. Each form includes instructions for stakeholders on how to submit information into the assessment process.

For information on RFM Certification or Alaska's fisheries go to <http://sustainability.alaskaseafood.org/certification>

Fisheries Certification:

- Alaska Salmon, was originally certified on March 11th, 2011 and completed annual audit on October 15, 2012
- Alaska Halibut was originally certified on April 29th, 2011 and completed annual audit in July 2012
- Alaska Black Cod/Sablefish was originally certified on October 11th, 2011 and completed annual audit on November 23rd, 2012.
- Alaska Pollock was certified on December 6th, 2011 and is currently under annual audit.
- Alaska King and Snow Crab were certified on on April 16th, 2012 and is currently under annual audit.
