The Alaska Salmon, Halibut and Crab fisheries are currently going through annual audits for FAO-Based Responsible Fisheries Management (RFM) Certification. Click on the links below to access the assessment team members for each of these annual audits. Assessment team members are chosen based on their technical expertise and impartiality in conducting fishery assessments.

- * [Alaska Salmon](#)
- * [Alaska Halibut](#)
- * [BSAI Alaska Crab](#)

For more information on RFM certification or Alaska's fisheries go to <http://sustainability.alaskaseafood.org/certification>
