30-Day Comment Period Now Open for the Alaska Flatfish Fishery

The Alaska RFM Certification Draft Assessment Report for the re-certification of the **Alaska flatfish fishery** is now available for public comment by **registered stakeholders**. The 30-day comment period runs from **October 30, 2019 through November 30, 2019**. [Click here for the report](#).

Certification Body, DNV GL, is conducting the re-assessment. All registered stakeholders are invited to comment on the factual contents of the report, either in relation to the specific sections of the report or specific Evaluation Parameters. Comments should be clearly related to specific report sections or Evaluation Parameters. Any recommendations or criticisms should be supported with data or literature citations so that the assessment team is able to evaluate these comments.

Stakeholders who are not yet registered, but interested to comment on the report, should first register by providing the details below to Anna Kiseleva.

1. Name and company, together with contact information;
2. Your association with the fishery;

Following receipt of comments from registered stakeholders, DNV GL will consider all available information and make a determination on whether the fishery should be re-certified.

Comments on the report should be forwarded by **5 PM GMT on 30th of November 2019**.
