Pacific Whiting (Hake) Mid-Water Trawl Responsible Fisheries Management Certification Public Comment Report Announcement

June 22, 2022

MRAG Americas announces that the Public Comment Report for the Pacific whiting (hake) mid-water trawl fishery assessment is now available for comment by interested parties. The report is available at the RFM website <https://rfmcertification.org/certified-fishery-species/new-fisheries-in-assessment/>.

All registered stakeholders are invited to comment on the factual content of the report; comments should be clearly related to specific Evaluation Parameters or report sections and supported with evidence for the assessment team to evaluate. Stakeholders must provide objective evidence in support of any claims or claimed errors of fact.

Stakeholders who are not yet registered but are interested in commenting on the report should first register by providing the following information to Amanda Stern-Pirlot at certification@mragamericas.com.

1. Name, company and contact information
2. Association with the fishery in assessment

Comments on this report should be sent to MRAG Americas no later than 1700 UTC on July 22, 2022 at the following:
